| #5 (2a-5) כתת ר' גליק                                | ַ פרק אור לי"ד דף ב' ע"א מיתיבי הללוהו      |
|--|---|
| 1) From which פסוק does the גמרא ask the que         | estion?                                     |
| 2) On which opinion is the גמרא asking?              |   |
| 3) What is the question?                             |   |
| 4) Explain the answer of the גמרא?                   |   |
| 5) What is the משמעות of the פסוק (that the א־       | במח questions)?                             |
| 6) <u>Explain</u> on which word of the פסוק this זות | is based? is based?                         |
| 7) What is the question based on this משמעות         | ?   |
| 8) The גמרא concludes that כוכבי אור in fact         | means (like we just                         |
| answered). In response to the question, the          | answers that the משמעות was incorrect. What |
| is incorrect about the רש"י)?                        |   |
| 9) What is the פסוק in fact coming to teach u        | s by adding the word אור?                   |
| 10) What is the נפקא מינה that the פסוק that the     | teaches us?                                 |
| 11) What is the exception to this דין?               |   |
| 12) What is the לשון חז"ל for this?                  |   |
